POA @60:

Bracing to be a Pillar in the World of Orthopaedics

November 9-14, 2009

EDSA Shangri-La Hotel, Magdalyong City, Metro Manila Philippines

THE PRESIDENT'S MESSAGE

Join us in Manila!

I am honored to invite our friends and colleagues to our "4 in 1" convention from November 9 to 14, 2009 at EDSA Shangri-la Hotel in the heart of Manila.

This year we are celebrating the 60th year of the Philippine Orthopaedic Association and we are pleased to hold with our Jubilee as well – the 29th Annual Congress of the ASEAN Orthopaedic Association, the 2nd ASEAN Arthroplasty Annual Meeting and the 1st Paediatric Orthopaedics Society of North America (POSNA) - POA Course. Our Theme is: "East Meets West: A Global Perspective of Lower Limb Orthopaedics".

We are committed in providing opportunities to all delegates for exchanging ideas, practices and techniques. As orthopedic surgeons, we must continually improve ourselves because we serve a diverse region of 575M people.

We are also launching a major sport event for the region: the First ASEAN Ortho Golf Cup at the prestigious Wack-Wack Golf and Country Club. Indeed, there is something for everyone so do come.

Mabuhay! (Long live!)
